Houston, TX 77219

Dear Robert,

On behalf of the Officers and Executive Committee of the Republican Party of Fort Bend County, I want to extend our sincerest appreciation and gratitude for your attendance at the 2011 Lincoln-Reagan Dinner.

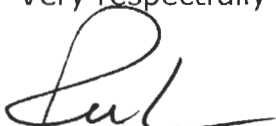

Your participation and very generous support of this grand event for the Republicans of Fort Bend County enabled us to achieve many of our goals for the event held on January 28th. One of the great joys of this event was the interaction of the Republicans in attendance. We needed this coming together of our Republican Family to celebrate the successes of 2010 and strengthen our resolve as we head into the Primary and then to the General Election in 2012.

Our keynote speaker Karl Rove was one of the best we have ever had for this event. His interaction with the attendees was terrific and his comments from the podium were informative and inspiring. I hope you had the opportunity to meet him.

As you know, we are working hard to continue to grow and strengthen The Republican Party of Fort Bend County. This event is yet another step in that process. Our purpose is simple: to raise funds to support, assist and enable Republican candidates on the national, state and local levels, and for certain in looking ahead, to win in November 2012. Of particular importance is our effort to increase Republicans in office here in Fort Bend County and also to take back the Presidency. The 2012 Election Cycle is critical to the future of our Nation.

Thank you again for your generosity and unwavering support of the Lincoln-Reagan Dinner 2011 and your support of the Republican Party of Fort Bend County. In 2010, the *Herd* arrived in large numbers...we expect even more in 2012!!

Very respectfully and with great appreciation,

D. F. Rick Miller
Chairman
