Dear Shlenker Carnival 2006 Sponsor:

It is with great excitement that we report the success of our 19<sup>th</sup> Annual Shlenker School Carnival. The Carnival was held on Sunday, May 7, 2006 and the weather was cooperative!

Our goal was to provide a fun-filled, family-oriented fundraiser that would also showcase our wonderful facility, students, and staff for the community. On the financial front, with your help, this year's carnival has exceeded our goal in a realized profit of over \$34,000. All proceeds directly benefit our students, whether by enhancing programming, supplementing equipment needs, helping pay teacher salaries or providing financial aid.

The Shlenker School is one of the premier educational facilities in Houston. Our school enrolls over 360 students each year from Child's Day Out through the fifth grade. Your donation will make a difference in the lives of these children!

Enclosed you will find a thank you note written by one of our students. We hope that their thanks will supply a glimpse of the impact you made from their point of view. We consider them to be our greatest treasure – young children who one day will make a difference in our community and in the world!

Thank you again,

*Lauren Elizabeth*

Dear Mr. and Mrs. Elberger,

Thank you so much for helping out in the carnival. It meant so much to my friends and family, knowing that it is our last year, 5<sup>th</sup> grade. The Shlenter experience has been so great for me and you made it even better!

From,  
Jessica Wolinsky
